

REMARKS

Claims 1-7 and 9-12 have been allowed. Claims 5, 7, and 12 have been amended.
No new matter has been added.

Claims 5, 7 and 12 have been amended to correct inadvertent errors made in the Amendment filed December 9, 2005. In claims 5, 7 and 12 the phrase "single-bit rasterize" has been corrected to read "single-bit rasterize **flag**". Claims 5 and 7 depend from claim 2, which sets forth a single-bit rasterize flag; and claim 12 depends from claim 10, which sets forth a single-bit rasterize flag. Accordingly, there is antecedent support for the proposed amendments to claims 5, 7 and 12 in the claims from which they depend.

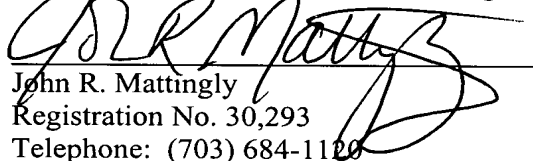

Applicants request entry of the foregoing amendments for the reasons given and because the amendments do not change the scope of the claims in a manner that requires further search and/or examination. Further, the amendments were not earlier presented because the need for the amendments was not recognized until the Notice of Allowance was received and the allowed claims were reviewed.

Conclusion

In view of the foregoing, Applicants respectfully request acknowledgement of changes before issuance in this case.

Respectfully submitted,

Mattingly, Stanger, Malur & Brundidge, P.C.
